Canso Islands
I. Sables
FRANCE OR CANADA
NEW Canada River OR Grand River
PROVINCE OF MAIN.
SAGADAHOC OR DUKE OF YORK'S PROPERTY.
This Country from Kennebeck was always called Pag
This country south of the Great River, scalled by the English Canada river, and by the French the river of St. Lawrence are the dominions and property of the Crown of Great Britain: and are distinguished by red lines; and the French dominion by blue lines.
This line of North Latitude 48. was the northern boundaries of the grant made by King James the first to the Council of Plymouth in 1621: But in the year 1632 King Charles the first ceded all the lands lying to the northward of Canada River to the French, and Canada, or New France was indefinite in its northern boundaries till the year 1712.
By the Treaty of Utrecht, the lines between the English and French, were thus adjusted: Beginning on the Atlantic Ocean in North Latitude 58. 30. thence running South West to Lake Mistasin, and thence continuing S.W till the line touched 49° of North Latitude, and thence West indefinitely.
1/2 This line by the Treaty of Utrecht was settled as the dividing line between Canada and Hudsons Bay
ATLANTIC OCEAN.
The Sea line of Nova Scotia
All the fishing Granted to the inhabitants of this province is the property of the Crown of Great Britain. The French being excluded their from by the Treaty of Utrecht.
A Scale of 72 English Statute miles
A Scale of 40 Leagues 20 to a degree.
To his Excellency William Shirley Esqr. Captain General and Commander in Chief, in and over his Majesty's province of the Massachusets Bay in New England, and Vice Admiral of the same.
This Draught of the northern English Colonies, together with the French neighbouring Settlements; taken partly from actual Surveys, and partly from the most approved Draughts and other Accounts, done at your Excellency's request, is most humbly dedicated, by Your Excellency's most obliged & obedient humble Servt
Boston Augst 16 1749.
